

2011-12 Art Class Schedule

Class times for each age group are:

4 - 69:30-10:20

5 - 710:30-11:20

7 - 1011:30-12:25

9 - 1212:30-1:25

12 +1:30-2:30

6 - 83:00-3:55

8 - 114:00 -4:55

August 27th:

(4-6, 5-7, and 6-8 age groups)

-Using Shapes - Colored pencils/ Graphite

Students will learn about shapes and will put them together to create a variety of images.

(7-10, 8-11, and 9-12 age groups)

-Word Composition - Colored pencils/ Ebony Pencil

Students will learn a variety of compositional strategies and will use them to create an image of a chosen word, using found imagery.

(12 + age group)

-Word Composition - Colored pencils/ Ebony Pencil

Students will learn a variety of compositional strategies and will use them to create an image of a chosen word, using found imagery.

September 10th:

(4-6, 5-7, and 6-8 age groups)

-Fruit Still-life Drawing - Colored pencils/ Graphite

Students will learn how to draw various fruits and vegetables using line, color, and overlap.

(7-10, 8-11, and 9-12 age groups)

-Blind Contour Drawing - Graphite/ Ink Marker

Students will learn a drawing technique that emphasizes close observation and coordination.

(12 + age group)

-Blind Contour Drawing - Graphite/ Ink Marker

Students will learn a drawing technique that emphasizes close observation and coordination.

September 17th:

(4-6, 5-7, and 6-8 age groups)

-Color Wheel Painting - Watercolor Paints

Students will learn about the primary and secondary colors and will use them to create a painting.

(7-10, 8-11, and 9-12 age groups)

-Value Scale Drawing - Graphite Pencil/ Charcoal

Students will learn about value and will use it to add dimension to drawn objects.

(12 + age group)

-Still-life Drawing (Day 1) - Graphite Pencil/ Charcoal

Students will use line and value to render an arrangement of selected white objects.

September 24th:

(4-6, 5-7, and 6-8 age groups)

-Stained glass painting - Acrylic Paint/Acetate

Students will use color and shape to render a simplified image.

(7-10, 8-11, and 9-12 age groups)

-Cup Drawing - Graphite Pencil

Students will use value to render a detailed image of a cup.

(12 + age group)

-Still-life Drawing (Day 2) - Graphite Pencil/ Charcoal

October 1st:

(4-6, 5-7, and 6-8 age groups)

-Face Drawing - Graphite/ Colored Pencils

Students will learn how to draw a human face using line.

(7-10, 8-11, and 9-12 age groups)

-Chuck Close Inspired Faces (Day 1) - Acrylic Paint

Students will learn how to use a grid to render a simplified image of a human face.

(12 + age group)

-Chuck Close Inspired Faces (Day 1) - Acrylic Paint

Students will learn how to use a grid to render a simplified image of a human face.

October 8th:

(4-6, 5-7, and 6-8 age groups)

-Clay Faces - Air Dry Clay

Students will use their knowledge of the human face to render one in three dimensions using clay and simple tools.

(7-10, 8-11, and 9-12 age groups)

-Chuck Close Inspired Faces (Day 2) - Acrylic Paint

(12 + age group)

-Chuck Close Inspired Faces (Day 2) - Acrylic Paint

October 15th:

(4-6, 5-7, and 6-8 age groups)

-Keith Haring Inspired People - Pencil/ Acrylic Paint

Students will learn how to draw the figure in different positions by using Keith Haring's cartoon like drawings, and paintings as inspiration.

(7-10, 8-11, and 9-12 age groups)

-Face Drawing - Graphite Pencil

Students will learn basic rules of drawing a human face.

(12 + age group)

-Face Drawing - Graphite Pencil

Students will learn basic rules of drawing a human face.

October 22nd:

(4-6, 5-7, and 6-8 age groups)

-People Drawing - Pencil/ Colored Pencil

Students will learn how to draw a more realistic representation of a person using line and shape.

(7-10, 8-11, and 9-12 age groups)

-Figure Drawing - Graphite Pencil

Students will learn how to draw the human figure by taking turns drawing each other.

(12 + age group)

-Figure Drawing - Graphite Pencil

Students will learn how to draw the human figure by taking turns drawing each other.

October 29th:

(4-6, 5-7, and 6-8 age groups)

-Changing Trees - Graphite/ Tempera Paint

Students will learn how to paint a representation of a tree using some non-traditional painting techniques.

(7-10, 8-11, and 9-12 age groups)

-Understanding Color - Acrylic Paint

Students will learn a wide range of vocabulary and principles related to color and color mixing.

(12 + age group)

-Understanding Color - Acrylic Paint

Students will learn a wide range of vocabulary and principles related to color and color mixing.

November 5th:**(4-6, 5-7, and 6-8 age groups)****-Local Wildlife Drawing** – Graphite Pencil

Students will use line and shape to render images of local wildlife.

(7-10, 8-11, and 9-12 age groups)**-Incomplete Abstract Painting (Day 1)** – Acrylic Paint

Students will use their knowledge of color to extend the forms and colors of a small abstract image.

(12 + age group)**-Incomplete Abstract Painting (Day 1)** – Acrylic Paint

Students will use their knowledge of color to extend the forms and colors of a small abstract image.

November 12th:**(4-6, 5-7, and 6-8 age groups)****-Oil Pastel Leaf Resist** – Oil Pastels/ Watercolors

Students will use fallen leaves as a reference in making an oil pastel resist watercolor painting.

(7-10, 8-11, and 9-12 age groups)**-Incomplete Abstract Painting (Day 2)** – Acrylic Paint**(12 + age group)****-Incomplete Abstract Painting (Day 2)** – Acrylic Paint**November 19th:****(4-6, 5-7, and 6-8 age groups)****-Texture and Pattern Drawing** – Colored Pencils

Students will learn how to create textures using colored pencils

(7-10, 8-11, and 9-12 age groups)**-Invented Perspective Drawing (Day 1)** – Graphite Pencil

Students will learn rules of perspective and will use them to create an invented outdoor scene.

(12 + age group)**-Landscape Painting (Day 1)** – Acrylic Paint

Students will render an image of a landscape using a photographic reference (image provided or brought from home).

December 3rd:**(4-6, 5-7, and 6-8 age groups)****-Textured Clay Vessel (Day 1)** – Air-Dry Clay/ Acrylic Paint

Students will use their knowledge of texture and pattern to add detail to a hand built clay vessel.

(7-10, 8-11, and 9-12 age groups)**-Invented Perspective Drawing (Day 2)** – Graphite Pencil**(12 + age group)****-Landscape Painting (Day 2)** – Acrylic Paint**December 10th:****(4-6, 5-7, and 6-8 age groups)****-Textured Clay Vessel (Day 2)** – Air-Dry Clay/ Acrylic Paint**(7-10, 8-11, and 9-12 age groups)****-Negative Space Drawing** – Black Marker

Students will use marker to render the space around objects

(12 + age group)**-Negative Space Drawing** – Black Marker

Students will use marker to render the space around objects.

Winter Break**January 7th:****(4-6, 5-7, and 6-8 age groups)****-Drawing 3-D** – Pencil/ Colored Pencils

Students will learn how to transform simple shapes into three-dimensional looking objects.

(7-10, 8-11, and 9-12 age groups)**-Animal Drawing (Day 1)** – Graphite Pencil

Students will learn how to draw various animals using line, shape, value, and texture.

(12 + age group)**-Animal Drawing (Day 1)** – Graphite Pencil

Students will learn how to draw various animals using line, shape, value, and texture.

January 14th:**(4-6, 5-7, and 6-8 age groups)****-Snowflake Symmetry**– Soft Pastels

Students will learn about symmetry and will use it to render snowflakes in chalk pastels.

(7-10, 8-11, and 9-12 age groups)**-Animal Drawing (Day 2)** – Graphite Pencil**(12 + age group)****-Animal Drawing (Day 2)** – Graphite Pencil**January 21st:****(4-6, 5-7, and 6-8 age groups)****-Winter Landscape Painting** – Acrylic Paint

Students will use basic rules of landscape painting to render an outdoor snow covered scene.

(7-10, 8-11, and 9-12 age groups)**-Animal Relief Printing (Day 1)** – Water based Ink/ Foam

Students will use their animal drawings to create a series of multi-colored relief prints.

(12 + age group)**-Animal Relief Printing (Day 1)** – Water based Ink/ Foam

Students will use their animal drawings to create a series of multi-colored relief prints.

January 28th:**(4-6, 5-7, and 6-8 age groups)****-Drawing Polar Animals** – Graphite Pencil

Students will use line and shape to render various polar animals.

(7-10, 8-11, and 9-12 age groups)**-Animal Relief Printing (Day 2)** – Water based Ink/ Foam**(12 + age group)****-Animal Relief Printing (Day 2)** – Water based Ink/ Foam**February 4th:****(4-6, 5-7, and 6-8 age groups)****-Abstract Printing (Day 1)** – Water based Ink/ Foam

Students will learn about abstract art and will use principles of abstraction to design their own printed composition.

(7-10, 8-11, and 9-12 age groups)**-Extended Landscape Drawing (Day 1)** – Black Colored Pencil

Students will extend the composition of a black and white landscape image by matching different textures and values.

(12 + age group)**-Introduction to Perspective** – Graphite Pencil

Students will learn basic vocabulary and rules of perspective drawing.

February 11th:**(4-6, 5-7, and 6-8 age groups)****-Abstract Printing (Day 2)** – Water based Ink/ Foam**(7-10, 8-11, and 9-12 age groups)****-Extended Landscape Drawing (Day 2)** – Black Colored Pencil**(12 + age group)****-Interior Perspective Drawing** – Charcoal Pencil

Students will use rules of perspective to render a chosen area of the classroom in charcoal pencil.

February 18th:**(4-6, 5-7, and 6-8 age groups)****-Cartoon Face Symmetry** – Colored Pencil/ Tracing Paper

Students will use symmetry and abstracted facial features to design a cartoon like portrait.

(7-10, 8-11, and 9-12 age groups)**-Wayne Thiebaud Inspired Objects (Day 1)** – Acrylic Paint

Students will explore Wayne Thiebaud's use of color and will use his artwork as inspiration for creating their own rendered object.

(12 + age group)**-Wayne Thiebaud Inspired Objects (Day 1)** – Acrylic Paint

Students will explore Wayne Thiebaud's use of color and will use his artwork as inspiration for creating their own rendered object.

February 25th:**(4-6, 5-7, and 6-8 age groups)****-Chuck Close Inspired Face** – Acrylic Paint

Students will work collaboratively and learn how to use a grid to render a simplified image of a human face.

(7-10, 8-11, and 9-12 age groups)**-Wayne Thiebaud Inspired Objects (Day 2)** – Acrylic Paint**(12 + age group)****-Wayne Thiebaud Inspired Objects (Day 2)** – Acrylic Paint**March 3rd:****(4-6, 5-7, and 6-8 age groups)****-Bird Drawing**– Colored Pencils

Students will use line, shape, and texture to render representations of birds in flight.

(7-10, 8-11, and 9-12 age groups)**-Texture with Pen and Ink (Day 1)** – Pen and Ink

Students will learn how to create different textures and will use them to render an image in pen and ink.

(12 + age group)**-Texture with Pen and Ink (Day 1)** – Pen and Ink

Students will learn how to create different textures and will use them to render an image in pen and ink.

March 10th:

(4-6, 5-7, and 6-8 age groups)

-Aerial Landscape Painting – *Watercolors*

Students will learn about Aerial perspective and will use their knowledge to render an image of a landscape from above.

(7-10, 8-11, and 9-12 age groups)

-Texture with Pen and Ink (Day 2) – *Pen and Ink*

(12 + age group)

-Texture with Pen and Ink (Day 2) – *Pen and Ink*

No Class March 17th

March 24th:

(4-6, 5-7, and 6-8 age groups)

-Musical Kandinsky Painting – *Watercolors*

Students will use the artwork of Wassily Kandinsky as inspiration for creating their own abstract painting of a song.

(7-10, 8-11, and 9-12 age groups)

-Op-Art Drawing (Day 1) – *Colored Pencils*

Students will use repetition and pattern to create their own colorful optical illusion drawing.

(12 + age group)

-Still Life Painting (Day 1) – *Water Soluble Oils*

Students will use water soluble oil paint to render an image on canvas.

March 31st:

(4-6, 5-7, and 6-8 age groups)

-Cityscape Drawing – *Colored Pencils*

Students will use rules of perspective, along with pattern to render a colorful image of a cityscape.

(7-10, 8-11, and 9-12 age groups)

-Op-Art Drawing (Day 2) – *Colored Pencils*

(12 + age group)

-Still Life Painting (Day 2) – *Water Soluble Oils*
